## Sandy Spring Monthly Meeting

**Address: 17801 Meeting House Road  
Sandy Spring, MD 20860**

**Owner: Sandy Spring Monthly Meeting of the  
Religious Society of Friends**

The renovation of Sandy Spring Meeting Lyceum received a 2016 Montgomery County Award for Historic Preservation from Montgomery Preservation, Inc.

The original single story 1500 s.f. Community House, the Lyceum, that was built in 1859 and “modernized” in the 1950s had its walls floors and ceiling stripped to the original wood frame. It was completely renovated with new electric, plumbing, insulation, HVAC, drywall, flooring and a new kitchen. New windows, siding and roofing were also part of the work. A new 6000 s.f. two-story brick classroom building was also added to the site. A connecting covered and enclosed walkway was constructed to match the Lyceum building.
